

"BREAK FREE"

Music and Lyrics by Shirley Levi

They call you Van Gogh
they say no one will ever know
who you are 'til after you die
no matter how hard you strive

You're not dead yet
no... you're not dead yet!

Break free from the chain
break free from the pain
of your mind
that makes you blind
try and combine your heart with your head
let it lead you instead of playing dead

They call you Van Gogh
you know no one will ever know
who you are 'til after you try
your spirit will never die

They call you Van Gogh
you have to be the first to show
who you are and how to fight
your spirit will never die

You're not dead yet
well... you're not dead yet!

Break free from the chain
break free from the pain
of your mind
that makes you blind
try and combine your heart with your head
let it lead you instead of playing dead
try and combine your heart with your head
let it lead you instead
of playing dead

Hey you with your dreams
life is not what it seems
wake up!
stand up for what you believe
your dreams are your wings
let them carry you
not bury you
beauty's trapped in your head
bring it out
let it shout!
Bring it out
Let it shout!.....

You're not dead yet
well... you're not dead yet!

Break free from the chain
break free from the pain
of your mind
that makes you blind
try and combine your heart with your head
let it lead you instead of playing dead
try and combine your heart with your head
let it lead you instead
of playing dead
