

"DADDY BOY"

Music & Lyrics by Shirley Levi

I take care of myself now
the war in my head
is over
now I have to catch up
where I left off
before I fell off

I have to make it!
I was standing naked...
waiting for somebody else
to make me alive
make me alive

Things seem more exciting
oh when you're hiding...
when you're hiding...

Life can eat away at you
you're just a person too.....

A little boy
becoming a daddy
A little boy
becoming a daddy

Ha la la la la lai!
a la a la la hey!
hala la la ala la la la la la
away.....
away!

I take care of myself now
the war in my head
is over
now I have to catch up
where I left off
before I fell off

I have to make it!
I just can't fake it...
pretending for somebody else
to make me alive
make me alive

Things seem more enticing
when you're lying
when you're lying...

Life can eat away at you
You're just a person too...

A little boy
becoming a daddy
A little boy
becoming a daddy
A little boy
becoming a daddy
A little boy
becoming a daddy

I want you to know me today
instead of us drifting away
I want you to know me today
instead of us drifting away

Drifting away... yay yay... away...yay... hey!
away ey ey ey... away...

Ha la la la la lai!
a la a la la hey!
hala la la ala la la la la la la
away.....
away!

I take care of myself now
the war in my head is over!

Things seem more enticing
when you're lying

Life can eat away at you
you're just a person too...

A little boy
becoming a daddy
A little boy
becoming a daddy
A little boy
becoming a daddy

A little boy
becoming a daddy

Ha la la la la lai!
a la a la la hey!
hala la la ala la la la la la la
away..... away!
