

"DO U LUV ME?"

Music & Lyrics by Shirley Levi

I tell you I want to stay free
you tell me you love me
I say we shouldn't sleep together
things will not get better
you tell me you love me
Why should you wait
when you could be so happy
with somebody else
you would be so happy with nobody else

Then you undress and tell me to confess
commit to nothing other but
love undercover
Do you really love me?
Do you really love me?
Or is it better than nothin at all
is it better than nothin at all?

I tell you I want to be set free
you tell me you love me
how could it be
that you start to undress?
...You say that you love me
and that you can't bare
just as I confess
to seeing someone else
You could be so happy with somebody else
You could be so happy with somebody else

Then you undress me
and tell me to confess
commit to nothing other but love undercover
Do you really love me?
How do you love me?
Isn't it better to be on your own?
Isn't it better than nothin at all?

I.....Love you so much
can't live without your touch
want you to know
that you are free to go
I'll set you free
If only you'll come back to me

don't want to know who you see
unless it's me
it's temporary
when you feel the temptation
come back to the sensation
it's only experimentation
this complication when you feel the temptation
please come back to me...

Then I undress and tell you to confess
commit to nothin other but love undercover
Do you really love me?
How do you love me?
Isn't it better to be on your own
Isn't it better than nothin at all? X2
