

"MENTAL AFFAIR"

Music & Lyrics by Shirley Levi

Your moods change with the light  
and then you're out of sight  
we'll have our exchange  
tomorrow you'll change

Can you feel me looking at you  
I know you don't feel the same way too  
you'de ask me to stay  
you wouldn't look away

I see you as a friend  
and that's where it has to end  
in front of you  
and back to my heart  
in front of you  
and back to my heart

We're having a mental affair  
a silence I just can't bare  
I want you to care  
to care...

We're having a mental affair  
a silence I just can't break  
I want you to care  
to care... ...for me

A serpent's mind out of your hair  
a seductively wrapping me stare  
it's a silent affair  
I'll never tell

I can feel you looking at me  
I know it's only complimentary  
it's good enough for me  
if that's the way it's meant to be

In front of you  
and back to my heart  
in front of you  
and back to my heart

We're having a mental affair

a silence I just can't bare  
I want you to care  
to care...

We're having a mental affair  
a silence I just can't break  
I want you to care  
to care... ...for me

In front of you and back to my heart  
in front of you and back to my heart  
in front of you and back to my heart!

We're having a mental affair  
a silence I just can't bare  
I want you to care  
to care...

We're having a mental affair  
a silence I just can't break  
I want you to care  
to care... ...for me
