

"OFFICE IN THE SKY"

Music & Lyrics by Shirley Levi

Mister Torres
give me fifteen minutes
please Mister Torres
give me a chance
if your heart feels it
and your mind agrees
could you help to set me free?
the angels gave me melodies

I remember feeling so shy
I remember touching the sky
my heart spoke it's word
I really need to be heard

Office in the sky.....
please help me fly
do you hear when I cry?
when you sitting so high
I wish you could see
all that I could be
from your office in the sky
office in the sky

Up the escalator
through the elevator
through to your office
up up in the sky
sitting behind your desk
you hold the key to my success
playing the maker from your office in the sky

Could you please set me free?
the angels gave me melodies

I remember feeling so high
I remember touching the sky
Mister Torres...
I never done no one wrong
you know he tried to steal my songs!

Office in the sky.....
please help me fly
do you hear when I cry?
when you sitting so high
I wish you could see
all that I could be
from your office in the sky
office in the sky

Are you real?
do you feel?

I know I live a fairy tale
what they think is heaven
I think it's hell
I can make magic...

Office in the sky.....
please help me fly
do you hear when I cry?
when you sitting so high
I wish you could see
all that I could be
from your office in the sky
office in the sky
