

"YOUR EYES"

Music & Lyrics by Shirley Levi

Can't keep on waiting
for the sun to come up
life lost it's meaning
I wept in the dark
In your eyes I live for tomorrow
can never hide when I'm feeling sorrow
gonna last, I will follow

Your eyes can see right through me
keep me from sailing too far
give away your heart

In your eyes
I can see the sun is shine
in disguise
behind that blue eyed smile
I realize
never compromise
never felt so alive
never be deprived

Can't keep on waiting
for the sun to come up
lay next to me
to see you rise
In your eyes I live for tomorrow
can never hide
when you're feeling sorrow
gonna last we will follow

In your eyes
I can see the sun is shine
in disguise
behind that blue eyed smile
I realize
never compromise
never felt so alive
never be deprived

I see right through to your heart
the magic that vanished from your face
can never be erased
from your eyes

In your eyes
I can see the sun is shine
in disguise
behind that blue eyed smile
I realize
Never compromise
Never felt so alive
Never be deprived X2
In your eyes.....
In your eyes.....
In your eyes.....
In your eyes.....
